AT BEHNKE'S — THE MECCA OF ALL VIOLET LOVERS

AFRICAN VIOLETS

SAINTPAULIAS

Do's

Furnish drainage.
Watch for insects and diseases.
Feed once a month.
Wash off leaves weekly with luke-warm water.
Furnish humidity.
Water your plants when they need it.
Experiment until successful.
Take off damaged leaves.
Take off old flowers and stalks.
Provide ventilation.
Give them enough light.
Try different exposures if no blooms.
Use sterilized soil, high in organic matter.

TRY NEW VARIETIES.

Dont's

Don't overwater.
Don't overpot. (Violets like to be pot-bound.)
Don't use cold water.
Don't expose to direct sun-light too long.
Don't subject to sudden drastic temperature changes.
Don't overwater.
Don't expose to temperatures of less than 60 degrees.
Don't expose to drafts.
Don't use heavy soil.
Don't expose to direct sunlight

FREE: With Each Three, You Get One Plant FREE!

(At Greenhouse or Delivery Only)

DEAR CUSTOMER:

We are proud and grateful for the continued interest shown by our friends and Violet lovers which spurs us on to always be on the lookout for the latest, best and rarest.

IMPORTANT—NEW SHIPPING SERVICE

Our decision to ship Violets has been greeted with much enthusiasm and we have received wonderful comments on the excellent quality of the plants as well as perfect condition upon arrival. You may order with full confidence, knowing that expert care is taken in shipping. We ship 2 inch potted plants only since they fare much better in transport.

Orders of \$5 or more postpaid; orders amounting to less add 50c. Please send us your check or Postal Money Order. No C.O.D.'s. No shipping in extremely cold or freezing weather.

As has been our custom for a number of years, we shall continue our free gift offer. This applies to direct purchases at our greenhouses and regular delivery. But because of the extra cost of packing, etc., there will be no free plants on shipping orders. Maryland residents please add 2% sales tax.
